UDL / Document Resource Center - bcsc.k12.in.us
Universal design for learning (UDL) is a framework to improve and optimize teaching and learning for all people based on scientific insights into how humans learn. See how the UDL framework guides the design of instructional goals, assessments, methods, and materials that can be customized and ...

CAST: About Universal Design for Learning
What makes UDL solutions possible? Digital technology makes UDL curriculum solutions possible. For example, digitized textbooks enable students to take responsibility for their own learning by allowing them to highlight words, enlarge text type, increase the volume, use links to look up unfamiliar words, just to name a few.

Universal Design for Learning (UDL)
Universal Design for Learning (UDL) is a way of thinking about teaching and learning that gives all students equal opportunity to learn. At its core, UDL means that a teacher designs learning experiences in flexible ways to meet the needs of individual learners.

Universal Design for Learning - understood.org
The Center for Applied Special Technology(CAST), home of the UDL concept, is a leader in the research and development of technologies to support and enhance learning. The CAST's collection of tools is available on their website. UDL@UVM

UDL@UVM: Universal Design for Learning | Center on ...
Universal design for learning (UDL) is a framework to improve and optimize teaching and learning for all people based on scientific insights into how humans learn. First articulated by CAST in the 1990s and now the leading framework in an international reform movement, UDL informs all of our work in educational research and development ...

Accessibility & Universal Design for Learning (UDL)
Center 1: Art Center: markers, crayons, pencils, paper, glue, and scissors. Students create their own representation of the life cycle of their animal using the attached template (Center 1 Art Center Template.doc) which has the butterfly life cycle included. This will allow them to compare the life cycle of their animal with that of the butterfly.

CAST UDL Lesson Builder
This version of the Guidelines represents CAST's original blueprint for the UDL Guidelines. We developed this first version in response to the field's desire for more concrete support in applying the UDL framework to practice. Download Version 1.0 APA Citation: CAST (2008). Universal design for learning guidelines version 1.0 [graphic organizer]. Wakefield, MA: Author.
